Welcome to Camp!

Dear Caregivers,

Welcome to Girl Scouts of North East Ohio's 2024 Summer Camp Guide! We can't wait to return to camp this summer for more Girl Scout adventures and to connect with old friends while making new ones.

Camp is more than just a summer getaway; it's a vibrant time of discovery, growth, friendship, and independence while making memories that will last a lifetime. Each day at camp is a new opportunity for exploration and learning. For laughter that echoes through the trees. And for discovering the wonders of nature.

No matter which camp(s) your Girl Scout chooses—or whether she stays a day, a week, or longer—our qualified camp staff are committed to fostering a safe environment where campers can be themselves,

interact with girls (and adults) from different backgrounds, and develop outdoor skills. We regularly review guidance from the American Camp Association (ACA), the State of Ohio, and local health departments to create an operating plan for the safest experience for your camper.

Our 2024 summer camps meet girls where they are, with tons of programming options to choose from! With every Girl Scout program, we encourage girls to step out of their comfort zones and build courage, confidence, and character that will stay with them long after the summer sun sets

Yours in Girl Scouting,
GSNEO Camp Staff

Julia 'Blondie' Koenig
Camp Ledgewood Director

Julia's Girl Scout journey began in second grade—as a Brownie—in Springboro, Ohio. She grew up attending Camp Stonybrook, where she worked through the Program Aide and Counselor in Training programs. She

realized early on what a profound impact Girl Scouts can create. Julia says her passion for spontaneity, authenticity, and courage were all sparked at Girl Scout camp. She worked as a member of camp staff at Camp Libbey and Camp Whip Poor Will, and oversaw Community Day Camps as a Program Manager at Girl Scouts of Western Ohio in Toledo. With a passion for fostering independence, growth, and empowerment, Julia brings a vibrant energy to her new role as Camp Director with GSNEO. She believes that nature brings out the best in people, especially youth. She has watched the camp experience transform Girl Scouts by pushing them into new challenges; building character, teamwork, and self-discovery. Julia earned her bachelor's degree from Miami University in Oxford, Ohio. Her leadership style is marked by inclusivity and innovation, constantly seeking new ways to enrich the camping experience for every Girl Scout. Julia loves to stargaze, hang out on the high ropes course, and make friendship bracelets. She is excited to see the joy that camp will bring this year!

Beth 'Dew Drop' Stokley
Camp Timberlane Director

Beth attributes her life filled with adventures and exploring to Girl Scouts. She is passionate about exploring the natural world, particularly with children. As a result, she has worked in several states as an Outdoor Instructor, leading children's excursions through State and National Parks, and encouraging them to explore and engage with their surroundings. Her love of the outdoors can be traced to her home camp as a Girl Scout, Camp Timberlane, where she has fond memories of service unit camp outs and summer camp over nights. She started working at Camp Timberlane as a Kitchen Aid and worked her way up to Camp Director. Beth attended Wright State University, where she earned a Bachelor of Science in Earth and Environmental Science. She wholeheartedly believes Girl Scout camp is a special place where girls can try new things and be silly, while learning about themselves and the world around them. She's looking forward to seeing you all at camp and on the trails this summer!

Pathway Passes may be applied to outstanding overnight camp balances after the initial order

has been placed. If passes are added after the initial order is placed or in addition to passes already being added, you must add them to the list of codes already included in the order and then click apply. Removing codes from the discount box will remove them from the order.

Scoutship

Families that have a financial need may apply once per year, per camper for Scoutship assistance. Limited funds are available to support participation in council-sponsored programs and events. To apply, complete the Scoutship application and submit the request. Scoutship candidates must be in good financial standing with GSNEO and GSUSA, and current registered members. What's a winning recipe for self-confidence? Mix one-part self-care to equal parts self-love. Spend your time at camp celebrating what makes you uniquely you. Exercise self-love by creating and learning how to use a personal gratitude and meditation journal. Have fun experimenting with the best styles for your own unique hair. Practice self-care by strengthening your body and mind through the ritual of yoga. Don't forget to take some time to spoil yourself with some indulgent DIY spa goodies! As Girl Scout alum Taylor Swift said, "Happiness and confidence are the prettiest things you can wear." Campers will live in a cabin unit and complete requirements for the **Science of Happiness** badge.

Throughout the weekend, camp staff will provide activities for troops that require specialized training such as swimming in the pool, boating, the low ropes challenge course, and archery. Crafts, hiking, and a campfire with songs will also be available! More detailed information will accompany your registration confirmation packet. GSNEO supplies all materials, meals, snacks, and trained staff.

Community Day Camp

Community Day Camps and Twilight Camp programs are community-based, outdoor experiences operated by Girl Scout volunteers. Each camp provides a unique experience as campers and adults work together. The volunteer directors and camp team are trained to provide safe, age-appropriate activities tied together with a common theme. All currently registered Girl Scout members are eligible to attend and may register for one or more camps. Girl Scout Daisies (that have completed kindergarten) through Girl Scout Cadettes are eligible to attend as campers. Cadettes (entering the eighth grade) through Ambassadors that have completed the Program Aide training have opportunities to assist as Program Aides.

Note: Program Aides that participate at a camp that has a \$0 charge for them must register through the Community Day Camp Director and not through GSNEO.

Trading Post

Camp Ledgewood & Camp Timberlane

Come prepared to enjoy all that the Trading Post has to offer!

What is the purpose of the Trading Post?

The Trading Post is offered to your camper to enhance her camp experience by providing merchandise to create lasting memories of her time at Girl Scout camp.

When will my camper visit the Trading Post?

The Trading Post will be open one day for Overnight Camp and Core camp. Camp Timberlane will be open on Tuesdays and the Trading Post at Camp Ledgewood will be open on Wednesdays, unless it is a short week, then we will be open on Tuesday. Additional hours will be posted when possible.

Overnight campers and family camp programs will be offered time with their camp group to visit the Trading Post.

How will my camper pay for Trading Post merchandise?

At camp check-in, caregivers can create a cash account for their camper with camp staff. A pre-marked envelope will be provided to the caregiver to put your camper's money in. This envelope is then held at the camp office until their scheduled Trading Post visit. Any leftover money will be sent home with the camper at check-out.

What is normally spent by a camper at the Trading Post?

A camper spends about \$15-\$35 per week. But the average amount given to a camper for their Trading Post is \$25.

Is Trading Post money required?

No, it is not mandatory. Notably, we do find that the girls love to be able to purchase a keepsake from the Trading Post.

*Our camp store, called the **Trading Post**, is one of the highlights of camp! Girls look forward to purchasing keepsake camp items.*

You're a force of nature.

Experience the outdoors at Girl Scout Camp.
