During this program you will practice:

Discovering Your Dreams: This session establishes a welcoming space for participants and encourages participants to consider future aspirations. Participants will have the

opportunity to reflect on their values, aspirations, and interests.

Rising Above Obstacles: This session addresses the adversity that women of all ages face in their career advancement, often just because of their gender. It introduces participants to specific challenges many women face, provokes critical thinking about gender norms, and provides strategies to combat this adversity.

Putting Dreams into Action: This final session addresses the gap between dreams and action by weaving together participants' vision with practical skills developed in previous sessions. Participants will create a concrete action plan for achieving their goals and identify members of their community who can support them in implementing their plan.

Participants will receive a certificate of completion and a gift from Soroptimist Cleveland. Light refreshments will be provided, but participants may also bring a sack lunch. Badge/Journey connections: Senior Women's Health badge, Senior GIRLtopia Journey, Ambassador College Knowledge badge, and Ambassador BLISS: Live it! Give it! This training meets the requirements of the council-designed leadership course for the PA Award. For requirements, see page 30 of the Handbook in the Girl's Guide to Girl Scouting. Prerequisite: Complete an LiA (Leader in Action) prior to attending PA Training.
