

Tips to Help Service Units Introduce Cheddar Up to Their Troops

Girl Scouts of North East Ohio has partnered with Cheddar Up to help service units and troop leaders easily collect payments (and information) online.

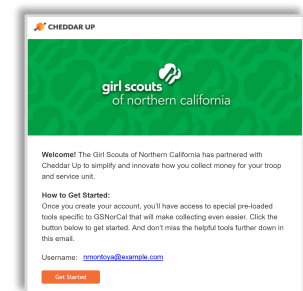

WHY TROOPS LOVE IT:

- 1 Create online collection pages in minutes - for anything - and share with troops with a simple link
- 2 Delight parents and increase participation thanks to easy online payments
- 3 Save time thanks to dynamically tracked payments, always available online or easily exported
- 4 Withdraw funds directly to a troop bank account to eliminate trips to the bank

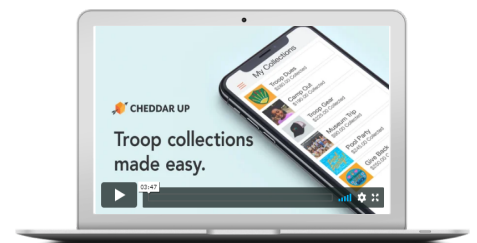

MUST-KNOWS FOR YOUR TROOPS:

- 1 Start with the welcome email
Troop leaders must activate their account via their Welcome email. Invites will be sent to new troop leaders the week of September 13. If troops need the email resent, they can contact Cheddar Up at info@cheddarup.com.
- 2 Free for troops
Troops have access to all platform features with no monthly fees. Transaction fees are covered by the payer (with an online payment option for only \$0.45). This means zero out-of-pocket expense for troops!

RESOURCES FOR YOUR TROOPS:

- 1 FAQs
